## A SALE OF THE LAND

Law on Purchase Leases  
Settled.

NO FIVE-YEAR LIMITATION

Government Receives Ruling From  
Washington—Meeting of  
Council Yesterday.

The first Governor's council in two  
weeks was held yesterday morning,  
with a full attendance of departmental  
heads.

A letter from Assistant Secretary of  
the Interior Ryan was read by Gov-  
ernor Dole in regard to a letter from  
the latter in the matter of right of pur-  
chase leases and homestead leases. The  
opinion from the Department practical-  
ly sets for that the law in the organic  
act required the Government not to  
make a lease of agricultural lands for  
a longer period than five years, but did  
not apply in this case as they practical-  
ly considered it a sale of the land. It  
was held that they were not leases but  
fee simple titles payable in install-  
ments.

Treasurer Lansing presented an ap-  
plication from A. B. Hewitt, of Wai-  
anae, for a light wine and beer license.  
This was granted.

H. J. Harrison of Lahaina made an  
application for a similar license. A  
protest petition signed by citizens of  
Lahaina was also read. The remon-  
strance was given the preference and  
practically shuts out the applicant  
from receiving a license.

The Leslie land matter in Chinatown  
was again brought up, and a letter  
from J. M. Monsarrat, attorney for  
Leslie, was read. Action was deferred.  
Upon motion, the Attorney General  
was requested to render an opinion as  
to whether the Legislature, if it meets  
after January 1, 1901, can raise the rate  
of taxation and have it take effect as of  
January 1.

Mr. McCandless read an application  
from Mr. Hoffman, manager of the new  
brewery, in which he requested the  
right to run a drain pipe from their  
place to the Government ditch in Ke-  
walo. The drainage is to be clear wa-  
ter from the condenser plant. It was  
recommended by the meeting that the  
company be permitted to carry out  
their plan.

## MANY PRISONERS ARE ARRAIGNED

Pleas of not Guilty Entered  
In All Criminal  
Cases.

A number of the men indicted by the  
Grand Jury appeared in the Circuit  
Court yesterday and pleaded not guilty  
to the charge against them.

Ah Chong, accused of selling opium,  
was first on the list. A new indictment  
had been found against him, the old  
one being defective, and a plea of not  
guilty was entered. J. T. DeBolt and  
Robertson & Wilder appeared for the  
man.

Ishi Kuguchi and Ishi Hazabro plead-  
ed not guilty to charges of assault with  
a deadly weapon. They were repre-  
sented by Atkinson & Judd.

Kane, accused of robbing a Chinese  
hack driver on the Tantalus road, ap-  
peared and Geo. D. Gear was appointed  
his attorney.

John Antone was arraigned on a  
charge of cashing a forged teacher's  
warrant and pleaded not guilty. Kau-  
lukou and Bittling represented him.

Kil, accused of burning cane fields,  
pleaded not guilty. Kaukukou and Bit-  
tling were his attorneys.

MRS. MINER WANTS DIVORCE.

Dr. Frank L. Miner was yesterday

made defendant in a divorce suit  
brought by his wife Mrs. Rose Miner.  
Mrs. Miner accuses her husband of ex-  
treme cruelty and says that she fears  
for her life if she is compelled to live  
longer with him.

Shortly after the filing of the petition  
Judge Humphreys granted an injunc-  
tion restraining Miner from commit-  
ting any acts of violence upon his wife  
and from attempting to get possession  
of their eleven-year-old child.

In her petition Mrs. Miner states that  
she was married to Dr. Miner in Eng-  
land in 1886, and that of late years he  
has frequently been guilty of gross  
cruelty to her. She instances many of  
the occasions when her husband has  
ill-treated her and tells of one occasion  
when she was kicked by him.

She asks for divorce and custody of  
the child.

SUIT FOR LINCOLN BLOCK.

H. E. McIntyre has brought suit in  
the Circuit Court against S. C. Allen  
for an accounting as to the ownership  
of certain property on the mauka side  
of King street between Fort and Ala-  
kaea streets.

The property in question contains the  
Lincoln block, and in his complaint  
McIntyre alleges that he obtained pos-  
session of it from Lincoln. Allen seized  
the block as the result of transactions  
between himself and Lincoln.

McIntyre sues only for an accounting.  
Allen has had possession for two years  
and collected the rents.

SESSION OF FEDERAL COURT.

Three aliens applied for citizenship  
in the United States District Court yester-  
day and all were admitted by Judge  
Estee. They were M. A. Rego, of Portu-  
gal; Robert F. Lange, of Prussia,  
and J. P. Dias, of Portugal.

The greater portion of the remainder  
of the session of court was taken up in  
arguments on demurrer to the libel of  
the bark Empire by a number of her  
sailors. Judge Estee ordered briefs to be  
submitted and reserved decision.

Harry A. Bigelow, W. A. Kinney and  
E. P. Dole were admitted to practice in  
the Federal courts.

WANTS GUARDIAN APPOINTED.

Nancy K. Louis, the mother of John  
Lot Kalani, has applied to the Circuit  
Court for the appointment of J. L. Ka-  
lukou as guardian of the estate of the  
boy. His property consists of land at  
Aala, Kikihale and Manoa valley, Ho-  
nolulu.

COURT NOTES.

Judge Estee hopes to be in his new  
court room at the end of next week.  
The carpenters are now busy putting  
in the platform for the judge's bench.  
United States District Attorney Baird  
is still quite ill and will not be able to  
be about for some days.

Judge Silliman was occupied yester-  
day with considering some minor pro-  
bate matters, in none of which conclu-  
sions were reached.

Judge Estee's Library.

Judge Estee's law library is being  
placed in position. The shelves for a  
large portion of his books have been  
built and the volumes properly shelved.  
The balance are stacked up in the cor-  
ners of the room. The Judge has 4,000  
books in Honolulu, weighing two tons.  
"The Law Library of the Territory  
contains more books than mine," said  
the Judge yesterday, "but these which  
I have brought here are books that I  
can use—every one of them."

A MINISTER'S GOOD WORK.

"I had a severe attack of bilious colic,  
got a bottle of Chamberlain's Colic,  
Cholera and Diarrhoea Remedy, took  
two doses and was entirely cured," says  
Rev. A. A. Power, of Emporia, Kan.  
"My neighbor across the street was sick  
for over a week, had two or three bot-  
tles of medicine from the doctor. He  
used them for three or four days with-  
out relief, then called in another doctor,  
who treated him for some days and  
gave him no relief, so discharged him.  
I went over to see him the next morn-  
ing. He said: 'bowels were in a terri-  
ble fix, that they had been running off  
so long that it was almost bloody flux.'  
I asked him if he had tried Chamber-  
lain's Colic, Cholera and Diarrhoea  
Remedy, and he said 'No.' I went home  
and brought him my bottle and gave  
him one dose; told him to take another  
dose in fifteen or twenty minutes if he  
did not find relief, but he took no more,  
and was entirely cured." For sale by

agents.

PLAN SUGGESTED FOR  
THE NEW HOSPITAL

THE above is a plan suggested for the buildings of the proposed Hospital As-  
sociation. The hospital will be of latest design and fitted with modern appli-  
ances throughout. It will be conducted on the lines of the hospital associa-  
tions connected with all the large railroads in the States, and is intended to be  
of especial benefit to firemen, policemen and laborers of every description, more  
especially those whose daily duties are fraught with more or less risk.  
A fee of a dollar a month will be charged members of the association. The  
money thus received constitutes a general fund and provides hospital treatment  
for sick and injured members of the association.  
Any person in good health applying for membership and passing a satisfactory  
examination by the association surgeon will be admitted to the rolls of the asso-  
ciation.  
The hospital will be run on both a business and a philanthropic basis and will  
be semi-public in nature. A stock company will probably be formed to put the  
association on its feet.  
The main idea of the association is to relieve the present congestion caused by  
lack of proper hospital accommodation in Honolulu, where many doctors are to-  
day using rooms in their houses for hospital purposes.
